**U.S. Congressman Matt Cartwright**

## **Hon. Matthew A. Cartwright**

U.S. Representative Matt Cartwright represents the Commonwealth of Pennsylvania's 8<sup>th</sup> Congressional District. He was first sworn into Congress on January 3, 2013.

In Congress, Matt is committed to working across the aisle to advocate for working families. Matt's priorities include strengthening the middle class, creating jobs, ensuring quality health care, protecting seniors, and supporting veterans and military families. Matt has introduced over 60 pieces of legislation and more bipartisan bills than any other House Democrat.

Matt is a member of the House Democratic Leadership and the House Committee on Appropriations. He serves as Vice Chair on the Commerce-Justice-Science, Financial Services & General Government, and Military Construction-VA Appropriations Subcommittees.

Cartwright's introduced legislation typically proposes expanded rights and benefits for Americans who deserve more favorable treatment under the law. His legislative portfolio has also focused on protecting the environment from loopholes in fundamental environmental protection statutes and promoting equity for wage-grade federal workers at government installations such as VA hospitals, federal prisons, and military depots.

Cartwright has been independently recognized as a leader in gaining co-sponsorships within the House of Representatives for his bills, as well as for his success in getting legislation moved and passed. His MEGABYTE Act, requiring federal agencies to develop comprehensive software licensing policies, and his Veterans Care Financial Protection Act, protecting veterans from predatory practices associated with Aid & Assistance benefit, were signed into law by Presidents Obama and Trump, respectively.

Prior to coming to Congress, Cartwright worked as an attorney with Munley, Munley & Cartwright for 25 years. He is a magna cum laude graduate of Hamilton College and a law review graduate of University of Pennsylvania's Law School.

Cartwright is married to Marion Munley Cartwright and is the father of two sons, Jack and Matthew. The Cartwrights live in Moosic.
